The Adler Planetarium Offers Illinois Resident Discount Days This Summer

WHAT: Countless galaxies, unfathomable distances, exploding stars, diamond planets, black holes, there's no way around it, space is freaking awesome! Come learn more at the Adler Planetarium this fall during our Illinois Resident Discount Days! Whether you are looking for free activities for kids, want to learn more about space or take in the amazing view of the Chicago skyline from the Adler, free days are a great time to stop by!

Illinois residents can use their discount to apply toward other admission packages that include sky shows and the Atwood Sphere Experience. Illinois residents will be asked to present valid identification at time of admission.

WHERE: Adler Planetarium - 1300 S. Lake Shore Drive, Chicago - Museum Campus

DATES*: June 6, 7, 8, 13, 14, and 15

All Access Pass: $29.95 for adults; $24.95 for children

About the Adler Planetarium
The Adler Planetarium—America's First Planetarium—is more than a museum; it is a laboratory, a classroom, and a community exploring the Universe together. Each year, over 550,000 visitors experience the museum's interactive exhibitions, live planetarium shows, hands-on, minds-on STEM education programs, and world-class collections. Founded in 1930 by Chicago business leader Max Adler, the Adler Planetarium is a recognized leader in public engagement. The museum's scientists, historians, and educators inspire the next generation of explorers and invite you to explore space with us.
