## PLANET HUNTERS

**Thursday, March 24 - Sunday, April 24**  
**Extended Hours: Daily 9:30 am - 5 pm**

This Spring Break, become a *Planet Hunter!*

Investigate planets in our Solar System and beyond with daily hands-on activities, family workshops in the Planet X Lab and one-on-one interactions with Adler astronomers. Follow the clues on a *Planet Hunt* through the

Adler's exhibitions and have fun at special Spring Break events.

### Spring Break Programs for All Ages:

- Follow the clues in a self-guided *Planet Hunt* through the museum
- Search for new planets in CyberSpace
- *Family Workshops* - Design a spacecraft capable of landing on different planet surfaces or search for traces of water
- *Café Talks* by Zooniverse Co-Founder Chris Lintott
- View planets in the popular live show, *Night Sky Live!*
- Meet an Adler astronomer and learn more about planets in our Solar System and beyond

## FREE SATURN VIEWING PARTY

**Saturday, April 16**  
**7:30 - 10:30 pm**

Watch as this ringed planet takes center stage in the night sky. Adler educators and astronomers will be on hand to facilitate telescope viewing - weather permitting. Enjoy unlimited shows in the Definiti Space Theater for \$5.

## PUT A RING ON IT

A planetary ring is a swirl of small particles that orbit around a planet. While Jupiter, Uranus and Neptune all have thin rings of ice and rock, Saturn's rings are the brightest and most extensive. Visit the Adler's *Our Solar System* gallery to learn more about the planets. Don't miss the FREE Saturn Viewing Party on April 16!
