CELEBRATE WORLD SPACE WEEK

LAS Pathfinder Rocket On Display Now!

To celebrate World Space Week, NASA's Orion Launch Abort System (LAS) rocket mockup is currently on display at the Adler through October 7. Orion team members will be on location to answer questions during museum hours 10 am - 4 pm.

Don't miss these special activities at the Adler during World Space Week:

Balloon Rocket Activity: *Blast Off Balloon Rockets in **Shoot for the Moon**.*
10 am - 12 pm: Monday through Friday

LRO Updates & Moon Wall Demo: Stop by the **Moon Wall** in the **Shoot for the Moon** exhibition to hear the latest updates on the Lunar Reconnaissance Orbiter (LRO) Mission and watch a demo of the high-resolution **Moon Wall** from an Adler expert.
1:30 pm: Monday through Friday.

Space Visualization Lab: From stellar explosions in the Milky Way, to telescopes and deep space observations, learn about the latest astronomical happenings from Adler scientists and astronomers in the SVL.
2 - 3 pm: Monday through Saturday.

COLUMBUS DAY FUN

Monday, October 11

Special Extended Hours: 9:30 am - 5 pm

In the spirit of the great adventurer Christopher Columbus, explore the Adler Planetarium on Columbus Day and enjoy extended hours.

Celebrate your inner explorer with these interactive activities:

Visit the **Telescopes: Through the Looking Glass** exhibition to learn about the technology and devices used to discover our Universe.

Kids can embark on their own self-guided adventure with the **Explorers' Tool Belt**. Use the exploration devices (magnifying glass, map, microscope and more) to discover and make connections with NASA artifacts throughout the Adler. *Note:* Tool belts can be checked out in the **Planet Explorers** exhibition.

Discover more about the Sun with **FREE solar viewing** from 10:30 am - 12:30 pm on the Telescope Terrace (weather permitting).

ADLER AFTER DARK

One-Year Anniversary Celebration

**October 21
6 - 10 pm**

Celebrate **Adler After Dark's** one-year anniversary on October 21 with music by DJ Mass Transit, all-access to the museum, telescope viewing under the stars and a chance to win great prizes including a pair of United Airline tickets, WXRT Studio X Pass

or Time Out Chicago's 2011 Boat Party Summer Pass.

**CHARTER ONE
DISCOUNT DAYS
AT THE ADLER**

The Adler Planetarium and Charter

One Foundation are offering free general admission on October 12, 19 and 26. General admission includes access to all of the Adler's exhibitions.

Enhance your visit with a variety of immersive theater programs in the Adler's all-digital projection Definiti Space Theater and 3D Universe Theater.

Travel through time and space to experience the life and death of stars in our night sky in ***Journey to the Stars***. Or take a trip to the Moon with Big Bird and Elmo in ***One World, One Sky: Big Bird's Adventure***.

Theater shows can be added to your free general admission ticket at the Adler Box Offices.

NEW ADLER STORE NOW OPEN

Located in the all-glass Sky Pavilion, the new **Adler Store** offers original gift ideas for all ages. From solar robots to night sky projectors, planetary golf balls to space-themed silly bands - the options are as vast as the cosmos.

HALLOWEEN ALERT!

This Halloween, your little explorer has all the "right stuff" in a junior astronaut suit with official NASA patches and cap.
