NOW BOARDING! DEEP SPACE ADVENTURE

Opening Weekend Celebration
Friday, July 8 - Sunday, July 10

Deep Space Adventure, a new immersive space experience like no other in the world, is now open!

This weekend, come aboard the observation deck of a futuristic starship for the ultimate visual and auditory experience.

The centerpiece of *Deep Space Adventure* is the Grainger Sky Theater, which offers audiences the most technologically advanced theater experience ever developed. Featuring space imagery in the highest resolution and quality possible, audiences will encounter the Universe at a level of realism that can only be surpassed by actual space travel.

Enjoy the *Deep Space Adventure Opening Weekend Celebration* with FREE pocket science demos, family workshops, hands-on activities and more with paid admission. Tap into your inner artist and join in creating an artistic Explorer Mural on the exterior sidewalk of the museum. Enter a FREE drawing to win Adler prizes, including an Adler membership.

Deep Space Adventure is this summer's hottest ticket - and only at the Adler.
