FLOOR 3 Off the blue and red stairs.

1 **RAINBOW LOBBY**
Purchase sky show tickets or a membership at the Main box office.

2 **MISSION MOON**
Experience the story of Capt. Jim Lovell and America's first steps into space.

3 **OUR SOLAR SYSTEM**
Explore the many worlds—planets, moons, dwarf planets, comets, and asteroids—that orbit the Sun.

4 **PLANET EXPLORERS** GREAT FOR KIDS
Children can climb, pilot, and excavate from the familiar to the unknown, all while discovering a new world.

5 **GRAINGER SKY THEATER**
Experience premier shows in the Adler's largest, most immersive domed theater. Enter through the Clark Family Welcome Gallery. **Tickets available at the box offices.**

6 **ASTRONOMY IN CULTURE**
Go back in history to learn about some of the cultures that have engaged in the quest to understand their place in the Universe.

7 **COMMUNITY DESIGN LAB**
Come do science with us in this collaborative design space.
Open 10 am until 1 hour before close.

8 **HISTORIC ATWOOD SPHERE**
Experience the night sky as it appeared in 1913 in Chicago's oldest planetarium. **Tickets available at the box offices.**

9 **DEFINITI SPACE THEATER**
The Adler's second domed theater, showing traditional sky shows. **Tickets available at the box offices.**

10 **THE UNIVERSE: A WALK THROUGH SPACE & TIME**
Visit distant corners of the cosmos and witness how the Universe has evolved over 13.8 billion years—from the Big Bang to modern day. Located in the Pritzker Hall of Cosmology.

11 **SPACE VISUALIZATION LABORATORY**
Scientists, technology experts, artists, and educators collaborate to create new ways for people to virtually explore the Universe.

12 **TELESCOPES: THROUGH THE LOOKING GLASS**
Uncover the extraordinary beauty and technology of some of the world's most important telescopes.

13 **JOHNSON STAR THEATER**
The Adler's 3D-capable theater. **Tickets available at the box offices.**
