

GROUP DROP-OFF & PICK-UP

The Adler Planetarium is located on the Chicago lakefront, just steps away from the Field Museum and the John G. Shedd Aquarium. Group drop-off/pick-up is located on the west-bound lanes of Solidarity Drive, just west of the Adler. Buses should pull forward near the glass shelter, located on the north side.

The area directly in front of the Adler is a designated fire lane and stopping directly in front is prohibited by the Chicago Police Department, as is parking on the street in this area. Paid parking is available at the meters and in the lot adjacent to the Adler.

All parking on Museum Campus is managed by Soldier Field. For more information visit soldierfieldparking.com or call 312.235.7701.
