

Chasing Eclipses Exhibition Walkthrough

CHASING ECLIPSES

Welcoming guests into the Adler's newest temporary exhibition is an introduction to the ways people around the world, past and present, have prepared to chase down total solar eclipses.

ECLIPSE CHASERS

Chasing Eclipses is about experiencing the awe of totality when the Moon covers the Sun completely. Who are these eclipse chasers, and what drives them to search for the next eclipse? In this space, there is a video that captures the emotion before, during, and after a chase.

TOOLS

Find out what people in the past and present use to predict and view eclipses. See eclipse-chasers' tools from 1557 to the present day.

WHAT IS AN ECLIPSE?

In this space, a motion graphics video explains why eclipses occur.
