ADLER EXCLUSIVE

Planetary Prom Dance Party

6:30–10:30 / Level 4, Galileo's Cafe

Dance the night away with hits from the 80s, 90s and millennium with our friends from MDM Entertainment.

Planet Selfie Scavenger Hunt

6:30–10:00 / Museum-Wide

Explore the museum and test your selfie skills in front of some planets! Find three in a row to win a prom-tastic prize, or find all 9 to win an even greater prom-tastic prize! Start & finish in the Planet Explorers exhibit on Level 4.

Planetary Prom Photo Booth

6:30–10:30 / Our Solar System

No prom is complete without the customary photo! Display your cosmic fashions and take home a keepsake from your 2019 Planetary Prom.

Ice, Ice Baby

6:30–10:00* / Planet Explorer

It doesn't get much colder than liquid nitrogen. Release all your pent up frustration by freezing and smashing flowers, bananas, and more!

**This program will reset every 15 minutes.*

BARS: 6:30-10:15

SPECIALTY COCKTAIL: Planet Punch

DINNER FOR PURCHASE

Galileo's Café – Level 4: 6:30-10:30

ENTERTAINMENT

DJ Mike* – MDM Entertainment

**Please don't ask him to play "Total Eclipse of the Heart". He hates that.*

SKY SHOWS & PRESENTATIONS*

**All theater shows/lectures/presentations are included in your admission ticket, and are between 15-30 minutes long. Plan to arrive at the theater 15-30 minutes before your chosen show time(s); seats are first-come, first-served.*

Show: *Imagine the Moon* – NEW

7:00, 7:45, 8:30, 9:15, 10:00 / Level 4, Grainger Sky Theater

To some, the Moon may seem cold and remote. To others, its predictability brings comfort. Our celestial partner has been a source of wonder for all of human history, so come explore our fascination with the Moon up close at this brand new sky show!

Show: *Skywatch Live*

7:00, 8:30, 10:00 / Level 2, Definiti Space Theater

Explore the spectacular sights of tonight's sky in this live show.

Show: *Planet Nine*

7:45, 9:15 / Level 2, Definiti Space Theater

Follow Mike Brown on a journey to the outer Solar System and the hunt for Planet Nine.

Talk: *Titan: WTF?*

7:30, 9:30 / Level 1, Samuel C. Johnson Family Star Theater

Saturn's moon Titan—home to a thick, hazy atmosphere and lakes of liquid methane—is one of the most mysterious, compelling places in the Solar System. Join Sarah Hörst of John Hopkins University for an in-depth dive into this enigmatic world.

Planetary Prom Team Trivia

8:30 / Level 1, Samuel C. Johnson Family Star Theater

Bring your crew and challenge other teams in a battle of 80/90s/early millennium pop culture and music, sci-fi movies, astronomy and more!*

**Guests can play individually or as a team. The winning person/team will be justly rewarded with fabulous prizes.*

OTHER HAPPENINGS

Chicago Public Library Pop-Up

6:30–8:30 / Level 4, Planet Explorers

Visit with our friends from the Chicago Public Library! Check out some books on fashion to see how styles have evolved over the years, play some musical games, and check out the 3D printer from our Maker Lab. Don't have a library card? We can help with that, too.

Prom Mad Libs

6:30–10:30 / Level 4 Hallway

Whether you're a teacher, a prom court winner, or a Martian we want to hear from you! Fill out a madlib and display in the hallway for all to enjoy!

Pretty in Pink (Planets)

6:30–10:00 / Level 2, Community Design Lab

Did you know there is a pink exoplanet circling a star very much like our own, 57 light-years away from Earth? Create your own wild exoplanet pin with LED lights and craft materials and display it proudly for all to see!

Telescope Observing

6:30–10:30 / Outside Level 3 South

Weather permitting

Astronomy Conversations – Space Visualization Lab

6:30–10:30 / Level 2, Near Telescopes Exhibit

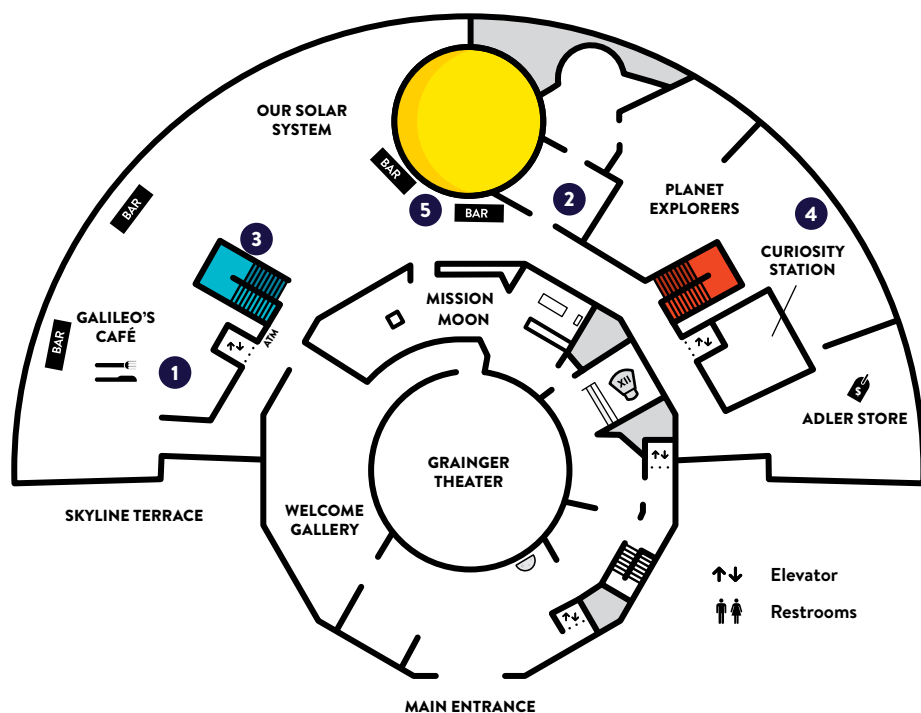

Chat with astronomers and physicists about the coolest stories & hottest news in your universe.

Atwood Sphere Tours
